

**NEWS**

With the end of the term, "This Week at the ASC" will be discontinued until October 1 (the week before the next term).

The ASC is co-organizing the conference on "Frontiers in String Phenomenology" at Ringberg Castle (at Tegernsee, near Munich) in the period July 28 - August 1, 2014.

The Arnold Sommerfeld Center for Theoretical Physics will host a PhD school on "Strings and fundamental physics" in the period August 11-22, 2014. Please consult the corresponding links on our homepage.
