

NEWS

This week, a joint ERC workshop on "Superfields, Selfcompletion and Strings Gravity" by I. Antoniadis, S. Ferrara and D. Lüster will take place at the ASC. For further details, please consult the ASC homepage.

Tuesday, 21.10.2014

Mathematical Physics

14:15h

Room B134

Theresienstr. 39/I

S. Rademacher

Zweidimensionale Dipole haben unendlich viele gebundene Zustände

Friday, 24.10.2014

Solid State Theory

09:00h

Room B046

Theresienstr. 39

L. Tagliacozzo

Institute of Photonic Sciences, Barcelona

Tensor network methods for lattice gauge theories
