Geometry

16:15h

Room B252

Theresienstr. 39/II

K. Kröncke

Regensburg University

**Stable fixed points of the Einstein flow
with positive cosmological constant**

Thursday, 21.05.2015

Fields and Strings

14:15h

Room A450

Theresienstr. 37/IV

Stefano Giusto

Padua University

**Representing Black Hole Microstates
via Superstrata**

Friday, 22.05.2015

Solid State Theory

09:00h

Room A449

Theresienstr. 37/IV

F. Heidrich-Meisner

LMU

**Many-body localization from a single-
particle perspective**
